## Chairman of the Board of Trustees

Praise the Lord Jesus! By God's grace, SMPTK School of Eagles has successfully graduated its 4th cohort of 13 students with a 100% graduation rate. We extend our deepest gratitude to:

- The tremendous perseverance of all the students,
- The exceptional dedication of Ms. Mace, the principal, who took over the baton from Mr. Yunus,
- And all the teachers who have mentored and nurtured the students over the past three years—despite the limited facilities at SMPTK SOE.

We firmly believe that God's plan is "Yes and Amen." As the bible said: He has made everything beautiful and appropriate in its time, we trust that in God's perfect time, our students not only had 3 years education at School of Eagles but six-years (Junior and Senior High) which will truly mold these students into Resilient and Capable individuals, strong in divine character, for the New Indonesia.

We also thank our donors for their unwavering support—through prayers, funding, and encouragement—for both the Foundation and SMPTK-SOE.

May the Lord Jesus bless you all!
