03 Edition (July 2025)

"To prepare youth generation who are intellectually capable, spiritually wise, leadership-driven, Christ-centered in character, and fully equipped for both ministry and professional service."

E . A . G . L . E . S

A – Accountability (Akuntabilitas)

"Each of us will give an account of ourselves to God."

Shalom.

Hallelujah! By the love and grace of our Heavenly Father, the entire YSIB family remains committed to serving and fulfilling the mission according to the vision God has given us.

In our effort to "**make disciples of all nations for the Lord Jesus Christ,**" we continue to encourage both students and teachers to diligently read/listen to and meditate on the Bible (God's Word). This practice, which has been ongoing since the start of the academic year (especially for new students and teachers), begins with a group reading/listening of the New Testament (Matthew to Revelation) over five days—an initial step to ignite a love for Scripture. Afterward, each individual continues reading/listening to and reflecting on the entire Bible (Genesis to Revelation).

In this edition of our E-News, we also highlight some of the activities held throughout July, including:

- New student enrollment
- Orientation for new students
- Community service
- Bonfire night
- Literacy and numeracy competitions

Happy reading!

Our prayer and hope is that the Lord Jesus Christ will continue to bless you.

Romans 11:36 (AMP): *For from Him [all things originate] and through Him [all things live and exist] and to Him are all things [directed]. To Him be glory and honor forever! Amen*

Chairman

Mr. Yunus, S.Pd.

Principal

I am Mrs. Mace, serving in the ministry of **School of Eagles Christian Junior High School (SMPTK)** as the **principal**, overseeing both teachers and students under our care.

As the school leader, my role is to **motivate and inspire** teachers, staff, and students to achieve educational goals. I also foster strong relationships with the community and school stakeholders.

Here are some key responsibilities I uphold:

1. School Planning & Development

I am responsible for structuring school planning across different terms, including **curriculum design, lesson planning, extracurricular activities, and budget management.**

2. Program Implementation & Leadership

I lead the execution of school programs and activities, ensuring alignment with the **school's vision and mission.**

3. Evaluation & Continuous Improvement

I conduct regular and periodic evaluations of school programs and activities. These assessments help **identify strengths and weaknesses**, allowing us to take corrective measures for improvement.

**Mrs. Mace Desesti Manek,
S.Pd.**

New Student Enrollment (PPDB) and Student Orientation (MPLS)

New Student Enrollment (PPDB) refers to the admission of students into specific educational levels, including Elementary School (SD), Junior High School (SMP), Senior High School (SMA), and Vocational High School (SMK). This process aims to select qualified prospective students and distribute them fairly and equitably across schools. PPDB follows the regulations and procedures set by local governments or the Ministry of Education and Culture to ensure transparency and accountability.

Student Orientation (MPLS) is an activity organized by schools for new students, typically at the beginning of the academic year. Its purpose is to familiarize students with the school environment, academic programs, and school culture while helping them adapt to their new surroundings and peers.

Community Service Activity

The joint community service activity was held on **July 18, 2025**, involving all **S.O.E students**, teachers, and the foundation's board members under the direct supervision of the foundation's mentoring representative.

This activity is part of the **school curriculum (specifically, the "Merdeka Curriculum")**, aimed at **cleaning the school environment** and, more importantly, preparing agricultural land for the school and foundation's **future farming infrastructure**. Moving forward, this farming area will be integrated into the school's **intra-curricular learning program**.

Bonfire Night Activity

The Bonfire Night is an annual school event held at the beginning of each academic year. It serves as a bonding activity between **new students, teachers, and senior students (grades 8 & 9)**, fostering camaraderie and school spirit.

Literacy and Numeracy Competition

The **Literacy and Numeracy Competition** is a contest or examination that assesses students' abilities in **reading comprehension (literacy)** and **mathematical problem-solving (numeracy)**.

Objectives of the Competition:

- 1. Measure and enhance** students' literacy and numeracy skills.
- 2. Sharpen** critical and logical thinking abilities.
- 3. Prepare** students for academic challenges and real-life problem-solving.
- 4. Provide** a healthy competitive experience to boost learning motivation.

Future Plans

- **SMPTK-SOE:**
 - **August 17th Independence Day Competition**
 - **National Assessment (ANBK) for Grade 8 Students**
- **Infrastructure Development:**
 - **New Boys' & Girls' Dormitories**
 - **Septic Tank Relocation**
 - **Teachers' Lounge Renovation**
 - **Poultry Farm Construction (for egg-laying chickens and quails)**
- **In progress:**
 - **Gardening Program (vegetables, medicinal plants, tubers, legumes)**

Our Progress

Land Development for Agricultural Use (Early stage)

- **Land surveying and mapping** of the schoolyard for agricultural purposes
- **Preparation and installation of bamboo poles** for constructing perimeter fencing around the farming area

We are profoundly grateful for your steadfast support of this ministry.

Through your generosity, this mission will continue to serve as a sanctuary—a place for young generations to experience restoration and character formation, equipping them for a future of glorious purpose.

"You can also support this ministry through prayer and by sharing our vision with others."
